ABOUT UNILEVER:
Unilever is one of the world’s leading suppliers of Food, Home and Personal Care products with sales in more than 190 countries. Working to create a better future every day, we help people feel good, look good and get more out of life. In the United States and Canada, the portfolio includes brand icons such as: Axe, Becel, Ben & Jerry’s, Breyers, Caress, Clear Scalp & Hair Therapy, Consort For Men, Country Crock, Degree, Dove personal care products, Fruttare, Good Humor, Hellmann’s, I Can’t Believe It’s Not Butter!, Just for Me!, Klondike, Knorr, Lever 2000, Lipton, Magnum, Motions, Nexxus, Noxzema, Pond’s, Popsicle, Promise, Q-tips, Simple, St. Ives, Suave, TIGI, TONI&GUY Hair Meet Wardrobe, TRESemmé and Vaseline. All of the preceding brand names are trademarks or registered trademarks of the Unilever Group of Companies.

Our ambition is to double the size of our business, while reducing our overall environmental footprint (including sourcing, consumer use and disposal) and increasing our positive social impact. We are committed to helping more than a billion people take action to improve their health and well-being, sourcing all our agricultural raw materials sustainably by 2020, and decoupling our growth from our environmental impact. Supporting our three big goals, we have defined seven pillars, underpinned by targets encompassing social, environmental and economic areas. See more on the Unilever Sustainable Living Plan at http://www.unileverusa.com/sustainable-living/ or http://www.unilever.ca/sustainable-living/.

Unilever employs approximately 11,500 people across North America – generating more than $10 billion in sales in 2013. For more information, visit www.unileverusa.com or www.unilever.ca

Unilever offers numerous exciting career paths within R&D. Creating new innovations and technologies, and enhancing our existing brand portfolio – it’s all yours in Unilever’s R&D function. Bring your imagination and technical expertise to help develop superior products in an ever-evolving consumer marketplace.

Personal Care (PC) is one of 4 major business sectors in Unilever’s global portfolio. Discover PC focuses on generating a funnel of innovations to drive market growth for well known brands (e.g., Dove, Axe, Degree, Vaseline, etc). Discover PC is enabled by a Consumer Science team that focuses on generating key fundamental and applied insights to drive holistic product design and consumer choice. The intern in this position would:

- Own an aspect of the consumer science agenda to drive product perception & market choice
- Collaborate with project leaders/senior team members to design a promising research question
- Conduct a small scale study including supervised design, measurement & data analysis
- Present findings to the research team

Requirements:
- Undergrad or grad student in psychology, marketing, sensory science, neuroscience, computer science or related field
- Evidence of experience conducting research
- CANDIDATES MUST BE LEGALLY AUTHORIZED TO WORK IN THE US

This position is based in Trumbull, CT
