### REQUIREMENTS CHART

All courses must be taken for a letter grade - with the exception of Freshmen Seminars, PSV 985, 990, 992, or 993, which are graded SAT/UNSAT. Psychology does not permit joint concentrations, but we do encourage other pathways to interdisciplinary work!

To find out more about what courses can fulfill all of these requirements, visit our website at [undergrad.psychology.fas.harvard.edu](http://undergrad.psychology.fas.harvard.edu)
