

**Volunteer Research Positions in the  
Lab of Dr. Diego Pizzagalli at Harvard Medical School**

We have multiple volunteer positions for several studies in the lab, including:

1. An EEG study testing the effects of mindsets about the origin of depression on cognitive control.
2. fMRI studies testing the effects of stress and sex hormones on the brain in currently and formerly depressed individuals
3. An fMRI study the effects of mindfulness on the brain in depression

If you are interested, please fill out the attached form on the next page, and send it to Dave Crowley ([djcrowley@mclean.harvard.edu](mailto:djcrowley@mclean.harvard.edu)) and Dr. Pizzagalli ([dap@mclean.harvard.edu](mailto:dap@mclean.harvard.edu)) along with your resume.

## Student Visitor Application

**Proposed Training dates:**  through  *(Please include anticipated end date)*

How many hours per week do you plan to devote to this research experience?   
(please do not include the time you would spend commuting)

### Personal Details

**Last Name:**  **First Name:**  **Middle Name:**

**Gender:**  Female  Male **Are you at least 16 years old?**  Yes  No

**Are you a U.S. citizen or otherwise authorized to live in the United States?**  Yes  No

**Current visa status, if you are an international student:**

### Contact Information

**Email:**

**Current street address:**

**City:**  **State:**  **Zip code:**

**Telephone – Home:**  **Telephone – Mobile:**

**Permanent street address:** (or  check if same as above)

**City:**  **State:**  **Zip code:**

### Academic Information:

*If you are an enrolled student, please fill in the following information:*

**Name of Academic Institution:**

**Address and Telephone Number of  
Academic Institution:**

**Years of Study:**

**Expected Date of Graduation:**

**Major/Field of Study:**

**Are you planning to receive academic  
credit from your home institution?**

<b>Current GPA</b>	<b>Overall:</b>	<b>Major:</b>
--------------------	-----------------	---------------

### Program Information

Mentor/Supervisor name: **Diego Pizzagalli, Ph.D.**Mentor/Supervisor department/lab: **LATN**

1. What are your research interests?

2. Why are you applying to the Laboratory of Affective and Translational Neuroscience?

3. What knowledge and/or skills have you acquired during your studies or previous work experience that has prepared you for this educational learning experience?

4. What are your future professional goals and how will this educational learning experience assist you in fulfilling those goals?

5. Explain the skills and knowledge you aim to acquire from this training program or educational learning experience?

6. What do you perceive are your academic strengths? Any potential areas of improvements?

*\* Please include your resumé/CV when submitting this application.*

Applicant Signature: Date of Signature: 

Please return the completed application with a resumé/CV to David Crowley ([djcrowley@mclean.harvard.edu](mailto:djcrowley@mclean.harvard.edu))
