Sectioning Information

Mathematics

After the introductory meetings (see the schedule above), calculus is taught entirely in sections. To enroll in Math Ma, Math 1a, Math 1b, Math 21a, Math 21b, you must section by computer during the period starting Tuesday, September 2nd and no later than 12:00 pm (noon) on Wednesday, September 3rd. Note that you can re-section as often as you like during this time and your previous entry will be erased. For more information, please visit <http://math.harvard.edu/sectioning/index.html>

Romance Languages: - French, Italian, Portuguese, and Spanish

To choose a section for a lettered or numbered language course (numbers 60 and below) in French, Italian, Portuguese, and Spanish, students should fill out an online sectioning form on the respective course web pages. Once students have filled out and submitted the form, they will receive notification of the date, time, and location of the first class meeting by email.
