Do you intend to count an AP score of 5 or IB score of 7 towards the Introductory Course requirement? (If yes, please e-mail psychology@wjh.harvard.edu to let us know ASAP - the sooner, the better! As a reminder, this will exempt you from taking an Introductory Course, but you must take an additional Advanced Course in its stead.)

Yes, and I will e-mail the Undergraduate Office to let them know.

Have you taken any courses outside the Department that may count for concentration credit? (For a list of courses that might count, visit bit.ly/nondeptcourses)

What topics or areas of psychology do you find particularly interesting?

Please briefly note possible post-graduate career paths you are considering at this time.
