## UCONN HEALTH

# PSYCHOLOGY RESEARCH ASSISTANT OPPORTUNITY

---

The Child/Adolescent Anxiety and Mood Program (CAMP) Lab is looking to hire a research assistant.

We are currently testing school and primary care-based interventions for youth with anxiety disorders.

This is an **excellent position** for someone who is planning on applying to graduate school.

**Primary responsibilities include:**

- Participant Recruitment
- Helping study coordinators with administrative duties
- Contact with families and school personnel
- Data entry
- Scholarship opportunities
- Other duties assigned by the CAMP Lab

**We are looking for a full time (40 hours a week) commitment to work in a hybrid environment (2 days in person at our West Hartford location; 3 days remote).**

**Interested persons should send an email describing their interest in working in our lab, their CV, and a list of two references to Golda Ginsburg, PhD ([gginsburg@uchc.edu](mailto:gginsburg@uchc.edu)).**
