

## Research Assistant at UNC Chapel Hill (North Carolina)

PI Website: <https://www.annemaheux.com/home>

**A FULL-TIME LAB MANAGER** is sought by Annie Maheux at the University of North Carolina at Chapel Hill. As a research lab, we will aim to understand interpersonal and sociocultural influences on adolescent development, including mental health, sexual behavior, and academic engagement, with an emphasis on gender, sexuality, and digital media use. The lab will be housed within the Developmental Psychology Program at UNC Chapel Hill and affiliated with the Winston National Center on Technology Use, Brain, and Psychological Development. This position has an anticipated start date of August 1, 2023. This position has a 12-month term with possibility of renewal.

The individual who fills this position will be involved in all aspects of the research process and administrative duties related to launching a new research lab, including coordinating multiple studies; hiring, supervising, and mentoring undergraduate RAs; recruiting participants; collecting and managing data; conducting literature searches; and assisting with IRB management, grant applications, and lab and grant budgets. A Bachelor's degree and prior experience in Psychology or a related field are required. This position requires a high degree of initiative, flexibility, maturity, attention to detail, and outstanding interpersonal and organizational skills. Applicants with prior research or management experience are preferred. Professional development opportunities will be available. This position is ideal for a highly motivated individual interested in gaining research experience prior to graduate school in Psychology or related fields.

Interested applicants should send the following documents to [annejmaheux@gmail.com](mailto:annejmaheux@gmail.com): (1) a current CV; (2) a cover letter/personal statement describing relevant experience, research interests, career goals, and why the lab is a good fit for your interests and goals; and (3) an unofficial transcript from all universities attended. Please use "FULL-TIME LAB MANAGER -YOUR NAME" as the subject line.

Selected applicants will be contacted for phone or Zoom interviews and asked to provide references. At a later stage in the application process, applicants will be asked to apply formally through UNC. Please contact [annejmaheux@gmail.com](mailto:annejmaheux@gmail.com) with any questions.
