

Research Program Coordinator at the Medical University of South Carolina:

Our team is seeking an energetic and organized Program Coordinator to help lead the NIAAA-Sponsored Enhancing Diversity in Alcohol Research (EDAR) program at the Medical University of South Carolina. This position is ideal for those interested in higher education program development and evaluation, and those interested in doctoral training in psychology. Contact us with questions at [EDAR@musc.edu](mailto:EDAR@musc.edu), or submit applications directly using the link below:
