

# SUMMER INTERNSHIPS

CENTER FOR  
MEDICAL ETHICS  
& HEALTH POLICY

Gain hands-on experience in bioethics,  
clinical ethics, and health policy

Apply for a **summer internship** with the Center for Medical Ethics & Health Policy. Open to **undergraduate and graduate students** enrolled in a degree-granting program. Internships are paid and typically require **up to 20 hours per week**.

**APPLICATION DEADLINE:** February 13, 2026 | 11:59 p.m. CT

## Clinical Ethics Internship

This internship provides students with hands-on experience in the fast-paced field of **clinical ethics** within hospital-based ethics consultation services.

Interns will have the opportunity to:

- Work with experienced clinical ethics faculty mentors
- Shadow clinical ethics consultants in hospital settings
- Participate in research and writing that supports clinical ethics practice
- Gain exposure to one of the preeminent bioethics centers in the country

**Format:** In-person, hospital-based

**Location:** Texas Medical Center, Houston, Texas

**Duration:** Up to 8 weeks (May-June)

## BCM-Dana Foundation Neuroscience and Society Summer Internship

This research-focused internship offers students the opportunity to engage in scholarly work on topics in neuroscience, ethics, and society.

Interns will have the opportunity to:

- Conduct faculty-mentored research on a topic of interest
- Explore areas such as the ethical, legal and social implications of emerging neurotechnologies, therapies and treatments
- Participate in educational programming, including lunch-and-learn sessions and journal club
- Engage with the Center's intellectual community through events and discussions

**Format:** Remote or in-person

**Location:** Baylor College of Medicine, Houston, Texas

**Duration:** Approximately 10 weeks (June-August)

*Research experiences do not include laboratory or clinical work.*
